Sponsorship Opportunities

ABOUT BLAZING HOPE RANCH

Blazing Hope Ranch exists to restore wholeness to female survivors of human trafficking, prevent exploitation, and weaken the sex trade through the power of Christ.

Our work is long-term and relational—focused on healing, stability, and restoration for women who have experienced severe trauma. We also invest in prevention and community education so that vulnerability is addressed before exploitation can take root.

Through residential care, equine-assisted learning, and prevention programming like Camp Run Free, we walk alongside survivors and youth as they rebuild identity, safety, and hope. Hope Takes Flight is one of the ways our community comes together to make that work possible—turning a day of play into long-term impact.
